To whom it may concern,

I am pleased to write to you on behalf of Coach Matthew Harris. Coach Matt has coached my daughter's softball team over the last 3 years and this last year I was honored to coach alongside him for our 2021 spring season and 2021 fall clinic for the Port City Girls Softball League. Not only is he capable of coaching your softball team, he will teach the players discipline and skills that they will utilize beyond the field. I am confident that he will surpass your expectations for your Head Coach for varsity softball at Venture Academy.

I was initially impressed with Coach Matt's professionalism, energy, and knowledge of the sport when we met three years ago. He took on a Mini Softball team and was able to teach girls 5-7 the sport. He managed time well allowing the players enough time to engage in multiple drills and acquire the skills they needed to perform as individuals and a team. He also engaged with the team and parents asking for feedback and expectations. That is one of his best characteristics; Coach Matt is approachable. As he has continued his coaching journey, I have had the honor to coach on the field with him where I have seen him provide constructive criticism, and encourage players.

I give Coach Matt my highest recommendation. His dedication, passion for the game, and communication skills will be a great asset to your softball program. If you should have any further questions or concerns, please feel free to contact me.

Sincerely,
